■ What makes the Trust program **unique?**

Our plans are designed to promote wellness. All plans include features that encourage your employees to take care of themselves.

- The plans include 100% coverage for **Preventive Care** benefits such as routine annual exams, cancer screenings and well baby check ups.
- All our plans include access to a **24-hour Nurseline** to assist members in obtaining the appropriate medical care any time, day or night.
- We encourage employees to go to the doctor for illness and injuries by **waiving the annual deductible** for office visits and lab & x-ray services. Prescription drugs are also paid with no deductible requirement on most plans.

In addition, we offer Voluntary Dental, Vision, Life Insurance and Employee Assistance Programs plans that companies may add to further enhance their employee's health insurance packages.
